Re: Appendix Tabs for Chemical Processors, Inc. Pier 91 Facility
Part B Permit Application

Dear Ms. Sikorski:

Appendix tabs for new appendices D-9 and D-10 of the Pier 91 Facility Part B Permit Application are enclosed. The appendix tabs were not included with revisions sent to you earlier this week; the printing error which caused the delay has now been corrected.

Two sets of appendix tabs are being supplied to EPA for copies 2 and 3 of the permit application. Sets of appendix tabs have also been sent to Ecology. Please place the tabs in your copies of the permit application, as indicated on the instruction sheet provided.

I can be reached at 223-0500 if you have any questions.

Sincerely,

Catherine L Buller
